Report on Science day celebration

*'The Science of Today is the Technology of Tomorrow'.
– Edward Teller*

To commemorate the invention of 'The Raman Effect' by the veteran Indian Physicist, Sir Chandrasekhara Venkata Raman, National Science Day was celebrated by the students of Mother Teresa Public School, Bangalore – 13. with great enthusiasm on February 28, 2021.

The day began with Introduction of our Scientist Dr. C.V. Raman. Students from Std VI to IX participated in Quiz Competition and made presentation ,speeches on the theme of National Science Day 2021 **'Future of STI: Impact on Education Skills and Work'**. The celebrations included screening of science movies to foster joyful learning among school children.

It was indeed a very knowledgeable day in which the main motive was to spread a message about the importance of Science used in the daily life of the people.
